

MB Docket No. 04-233:

I am writing to ask that K-Love radio is having a very positive impact on the youth in our local community. There is no other radio station like K-Love in our community that provides wholesome music and commentaries for my children. However, I am concerned that K-Love will be displaced by an LPFM broadcaster. Please make sure K-Love is not hurt by the new LPFM Broadcasters. Thanks so much!
